ENHANCED LIVING

At Harvest Pointe, we welcome seniors who expect more from their next living experience.

You can discover a truly different lifestyle full of new experiences and a refreshing sense of freedom. Even better, you enjoy all the comforts of living in a small community, within a uniquely supportive county, surrounded by the natural beauty of water and woods. This is your time. Live it to the fullest at Harvest Pointe.

LIVE IN "ONE OF THE 100 BEST SMALL TOWNS IN AMERICA"

Harvest Pointe is located in the small town of Hastings, Michigan in Barry County on the Thornapple Manor campus. Centrally located between Grand Rapids and Kalamazoo, Hastings serves as the County Seat and is known for its wooded countryside dotted with spring-fed lakes; you can enjoy having a cup of coffee while watching deer graze or spending an afternoon dropping a line in the river fishing.

When you are ready to hit the town, Hastings offers a historic downtown district with cute boutique shops, an old fashioned General Store, restaurants, weekly farmers markets, and live music. Each season also brings many downtown activities from a New Year's Eve Ball Drop to Ladies Night Out and Annual Parades.

ACCESS TO CARE

When you choose life at Harvest Pointe, you get the peace-of-mind knowing you have seamless access to integrated care with Thornapple Manor, a 5-star skilled nursing facility, an outpatient and inpatient rehabilitation center from The Rehab Center at Thornapple Manor, along with a bridge for specialized memory care through The Cottages at Thornapple Manor.
