## June 2026

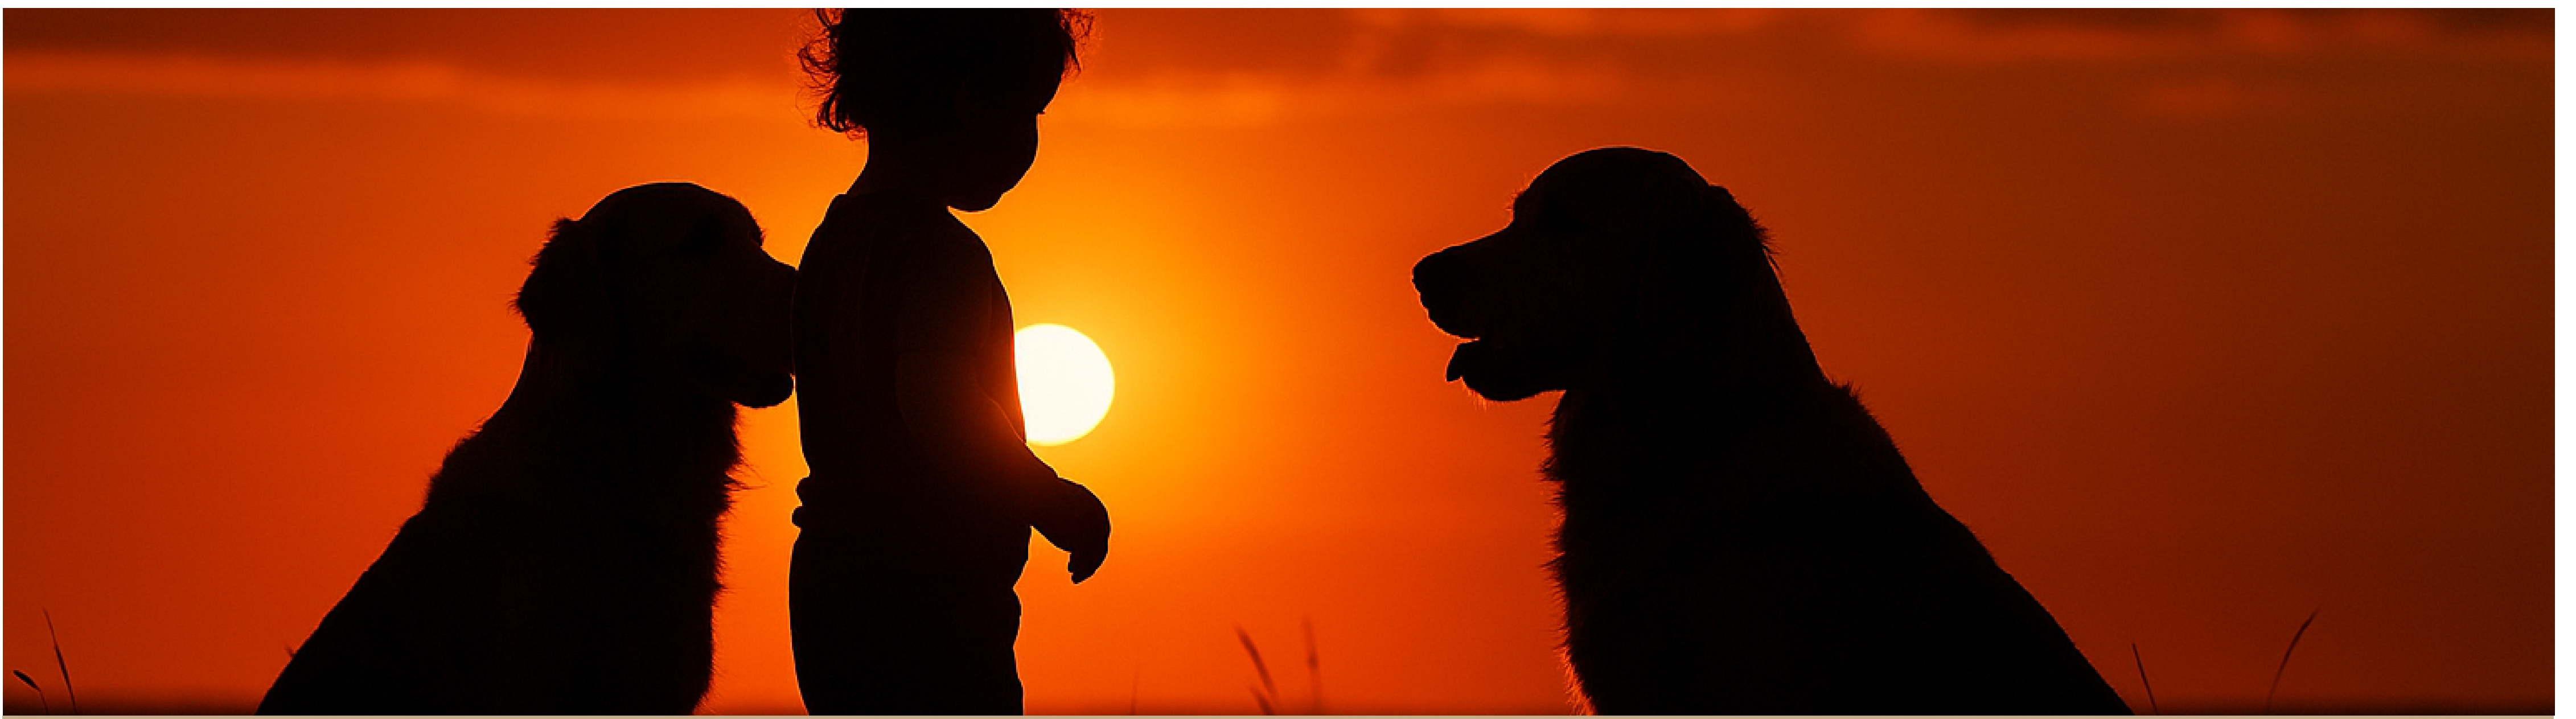

**May 2026 Recap:** Our campus was filled with laughter, creativity, and fun as we celebrated national Nursing Home Week in May! Residents and staff enjoyed a full week of exciting activities and special moments together. The week included crowd favorites like our Human Claw Machine, Wheel of Fortune, Flower Pot Painting, a charming Tea Party, a Costume Crawl, Bird Hunt, and Party Hat Painting. There was something for everyone to enjoy, and the smiles could be seen everywhere.

We also celebrated with several fun dress-up days throughout the week. One highlight was our flower crowns and green shirt day, where residents and staff alike came together wearing matching green shirts, creating a wonderful sense of unity and spirit through the community.

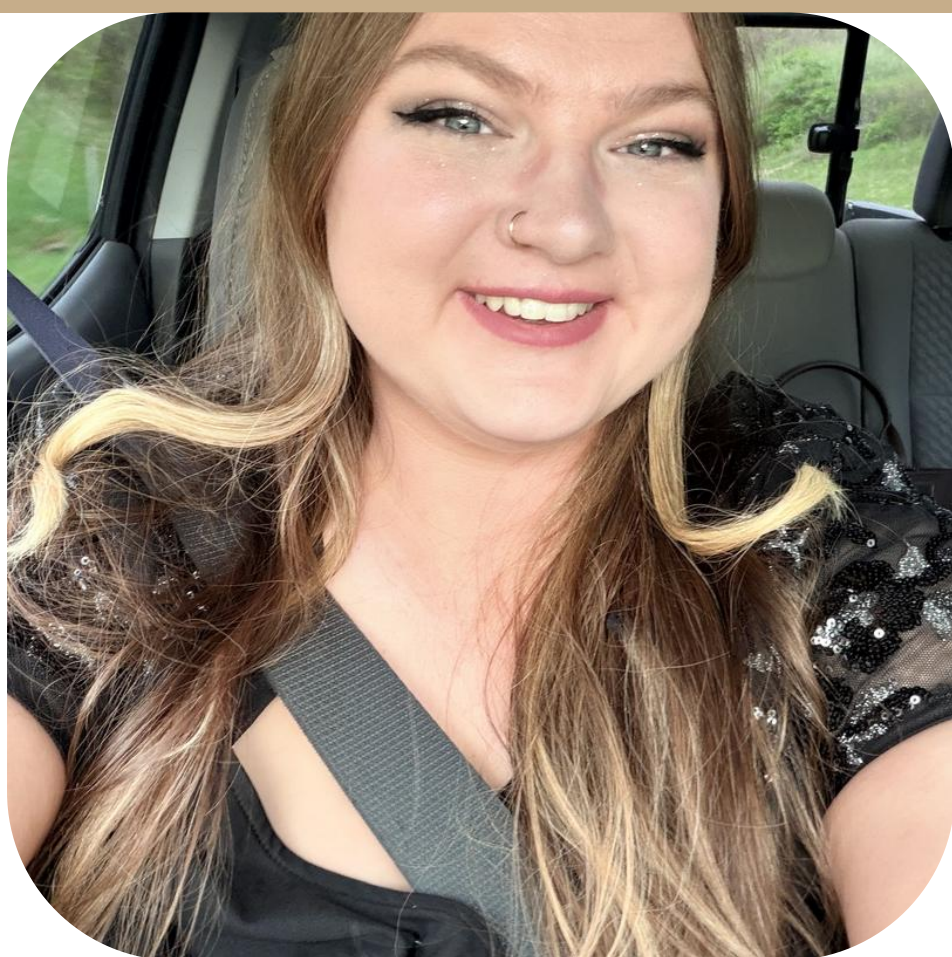

In addition to National Nursing Home Week festivities, we were also happy to celebrate Mother's Day with special socials featuring cookies and lemonade and the wonderful "Muffins with Mom" social at Harvest Pointe. These gatherings gave residents and families a chance to spend quality time together and make lasting memories.

Students from Maple Valley came to work on some community service projects. They washed outdoor windows, filled birdfeeders, and played games. It's always a great thing when different generations can come together and create wonderful memories for all.

Thank you to everyone who helped make the month so special. We look forward to seeing what June brings.

## Staff Member Message and Wellness Challenge

**Anna Timmer**  
*Resident Care Coordinator*

Hello everyone! My name is Anna Timmer, and for the last three years, I've had the pleasure of serving the residents of Sugarbush Boulevard as their Resident Care Coordinator. I first joined the Thornapple Manor family eight years ago as a CNA and later had the opportunity to expand my passion for serving others by joining the Life Enrichment Team.

Family is at the center of my life. My husband, Nick, and I have been together for 10 years, and we are raising our energetic two-year-old son, Walker. Our home is also filled with love from our two Golden Retrievers, Charlie and Harlow, who enjoy spending time outdoors with the family.

I look forward to continuing to grow as a person, teammate, and mother over the next year. I'm excited for the opportunity to connect with more residents and families, and I look forward to welcoming you at Thornapple Manor.

## HealthBar Pharmacy Program

Thornapple Manor Employees!  
Did you know you now have access to Haven Pharmacy?

This program offers convenient pharmacy services and healthcare support designed to make managing medication and wellness needs easier for employees and their families. By choosing Haven Pharmacy, employees and their family members will have access to generic medications with no out-of-pocket cost.

Employees can access services by visiting the website <https://pharmacy.org> or learn more through your HealthBar clinician, Meagon Oliver. Employees are encouraged to call the pharmacist directly at 616-369-6401 for assistance in transferring any prescription or discussing generic vs. brand name information.

Taking advantage of this resource may help save time with mail delivery, improve medication management, significantly reduce expenses, and provide added support for overall health and well-being.

## Celebrating our Employees

### Our Employee Of The Month!

**Carol Mack**

*Accounts Payable/Operator*

Carol plays an important role in keeping things running smoothly whether she's greeting visitors, answering the phone, assisting a coworker, or managing her Accounts Payable responsibilities. The nominations highlighted her genuine warmth and care for others, positive attitude, and willingness to help anyone who needs it. Her welcoming sense of humor brings laughter and comfort to those around her, and she is always happy to share both her knowledge and time with others.

### Reminders and Upcoming Events

Foot pedals are vital to the safety of your loved ones. Please, when pushing them in their wheelchairs, put their foot pedals on or ask the staff for assistance to put them on.

Friendly dogs are welcome to come visit while on a leash. Before visits are approved, dogs must be brought to the Life Enrichment Director to be assessed, including a copy of the dog's vaccination record.
