Event Highlights

September 2026

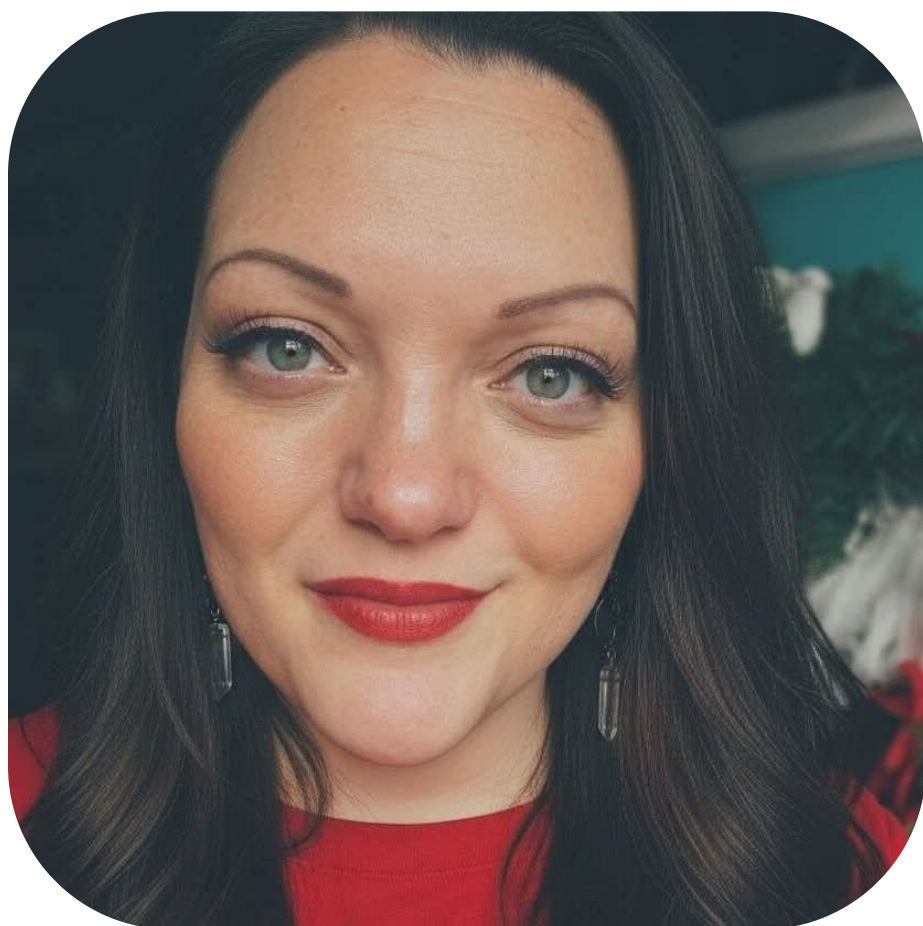

August Recap: August brought plenty of sunshine, smiles, and fun around the campus! We enjoyed a wonderful campus-wide cookout, a beach party, exercise groups, men's groups hosted by Heartland Hospice, and lots of rides on the golf cart. There was always something to look forward to, and we loved spending time together making memories.

Over at Harvest Pointe, residents enjoyed watching some Tigers games complete with ballpark snacks, traveling through the pages of their travel logs, and enjoying a wonderful variety of music. From sports and travel to music and good conversation, there was something for everyone to enjoy.

As we say goodbye to summer, we are looking forward to all that fall has to offer. Cooler days, beautiful colors, cozy activities, and new adventures are just around the corner. We can't wait to welcome the season and make even more wonderful memories together.

Angie Brown

Harvest Pointe Evening Operations Coordinator

Hi everyone! I'm Angie, and I'm the Evening Operations Coordinator at Harvest Pointe. I'll be celebrating four years with Thornapple Manor in October! In addition to helping oversee evening operations at Harvest Pointe, I also oversee the packaging of Meals on Wheels for the Barry County Commission on Aging.

Before coming to Thornapple Manor, I spent nine years working in customer service for Ford, Chrysler, and GM. I also worked as a waitress for several years, so I've always enjoyed working with people and building relationships.

Looking ahead, I hope to continue building relationships with our residents and their families and doing whatever I can to enrich their lives. That is one of my favorite parts of what I do.

Outside of work, I stay pretty busy with my family. I have two kids, Lola and Charlie, and a bonus daughter, Willow. When I'm not busy with homeschooling, I love taking my family to the beach for some rock hounding. I also love being creative! I enjoy painting, drawing, and making fun things out of resin. One of my biggest passions is singing.

Community Roots Produce Wagon

The Community Roots Mobile Fresh Produce Stand has returned for another season of sharing and caring at Harvest Pointe.

You'll find the stand in the front parking lot of Harvest Pointe, ready to collect and give fresh, FREE produce to anyone in the community. The mission is simple: increase access to healthy food and bring generations together through generosity and connection.

Whether you're a back yard gardener, a local farmer, or just scored a great grocery deal, we invite you to join in our **"Take Some, Leave Some"** spirit.

Let's fill the stand with fresh fruits and vegetables and keep it overflowing with abundance for our neighbors and families to enjoy all season long. Your kindness makes a difference.

Give when you can. Take when you need. Grow together.
